## EDUCATION

---

### **Yale University (May 2029)**

- B.A., Economics and History of Science, Medicine, and Public Health

### **Lamar High School (July 2025)**

- Valedictorian (Rank 1/788); IB Diploma; AP Scholar Award

## EXPERIENCE

---

### **Global Strategy Consulting Group (2025 – Present)**

*Associate Consultant*

- Yale's premier social-impact consulting group of 50+ students (acceptance rate <10%)
- Provided advisory services to Greenpeace International

### **Dwight Hall Socially Responsible Investment Fund (2025 – Present)**

*Investment Analyst*

- Oldest and largest undergraduate-run socially responsible fund in the U.S., with \$250K in assets under management
- Conduct equity valuation and comparable company analyses to select investments for the endowment

### **Yale Policy Institute (2025 – Present)**

*Public Policy Researcher*

- Selected to join Yale's premier student-run policy think tank under the Public Health Policy Center for the project "Substance Use Prevention & Harm Reduction in Connecticut"
- Collaborated with the American Cancer Society Cancer Action Network and the National Harm Reduction Coalition to conduct research, interviews, and policy engagement on harm reduction

### **Kaiser Permanente (2023-2025)**

*Intern*

- Developed policy recommendations to improve mental health in schools that reached more than 10,000 school social workers
- Facilitated meetings for a 17-member youth council, enabling youth leaders nationwide to share input with healthcare professionals at the nation's largest not-for-profit health system

### **Our Climate (2022-2024)**

*National Programming Intern*

- National Field Representative (2022–2023): Mobilized young voters in the midterm election, organized support for legislative action via social media, and advocated for H.R. 29 through lobbying and grassroots organizing
- Mobilized the organization's more than 3,000 youth members to advance comprehensive climate-justice policies at the federal level

## PROJECTS, AWARDS & INTERESTS

---

- 2023 Hershey Heartwarming Young Hero Grant awardee for Coffee Connections project
- Secured funding through the Bezos Family Foundation for Lamar Thrift by writing grant proposals
- Second place, 2021 Congressional App Challenge (TX-07) for a community-service project in computer science
